2. Three Rivers Song - 01:55

Severn, show me the way
 Of loving soil and water
 Giving justice, holding court
 Plynilimon's eldest daughter

Wye, show me the way
 Of wending through the valleys
 Light and blossoms in your hand
 Plynilimon's sweetest daughter

Rheidol, show me the way
 Of learning from my follies
 You started late but reached your goal
 The wildest Western water

Words & music by Shira,
 written for DragonRise Witchcamp 2015

3. Sister River Song - 02:03

As the river finds the ocean
Like the rain falls on the sea
I will find my heart's true calling
Sister will you walk with me?

5. Warm be the sun / Keep you in peace - 02:11

KEEP YOU IN PEACE © Sarah Morgan 1992
Words inspired by a Celtic Blessing
Music based on "Mrs. Jameson's
Favourite" by Charles Grant of Aberlour

Warm be the sun that shines upon you
Soft be the winds as they breathe on you
Smooth be the roads that rise before you
Blessings on you for evermore.

May you have shelter in storm to hide you,
May you have stars in the night to guide you
May you have ever a friend beside you,
Blessings on you for evermore.

Warm be the sun that shines upon you
Soft be the winds as they breathe on you
Smooth be the roads that rise before you
Blessings on you for evermore.

May you not lack for good bread to feed you,
May you not lack for good hope to speed you,
And for your singing, a heart to heed you,
Blessings on you for evermore.

Warm be the sun that shines upon you
Soft be the winds as they breathe on you
Smooth be the roads that rise before you
Blessings on you for evermore.

Originally the last line says: "Keep you in peace till we meet again."
