There is no time but now
Take me down
She changes
I will be gentle with myself
Healing being, healing one
We are the rising sun

4. The Mabon – 02:24 [Lou and Foxman sing]

I am the mabon
I am the child
I am yr the golden bough
I am the dart that the yew let's fly
Three pure rays the pillars of light
I am the wren the king of birds
I am bard and teller of lies
I am a song within the heart
I am a light that will never die
I am stars within the void
I am
I am the mabon... [repeat]
I am a light that will never die
I am stars within the void
I am the eye of the aeon

By Dreow Bennett. Sung in the Group of "Silver on the tree"

5. Spin your thread – 01:06 [JD sings]

Spin your thread
Weave it into the web
Spiral flow and spiral ebb
Naked feet feel her ancient heart (life) beat
Spirit pulsing, spirit free
Child am I, oh holy mother
Reflection am I, one in another

Corinna Moon Loomis

6. Ocean body - 01:44 [JD sings]

Hola Yamaya, hola ashe
Hola Yamaya, hola ashe
Ocean body come dance with me
Salty voices I hear you speak (speak)
Hola Yamaya, hola ashe
Hola Yamaya, hola ashe
Moon pulled mother ride your rhythms free
Changing waters returning mystery

Corinna Moon Loomis

7. Creative path sings "Call of the spring" - 04:04

I hear a whisper on the breeze
That calls me back to you
Calls me back to life
Calls me back to love

Sue Blackfeather Dunwoody

8. Call of the Cailleach – 02:16

Over rocks & stones I call you,
where the Earth meets with my heart.
As I rise into the distance,
I will hear your call from afar.

I am the keeper of time
I am the bringer of change
The lines on my face, all stories to tell

Through the air I feel a water,
that is rising from the Earth.
Of a spring that holds the promise,
of a gift that is your rebirth.

I am the keeper of time
I am the bringer of change
The lines on my face, all stories to tell

Sue Blackfeather Dunwoody
